Ordering Example: LSR4-4FT-1-28WT5-UNV-NT-WW

**Details**

**Application Features:** Premium grade, recessed, modular architectural luminaire. For use in indoor applications where a T8, T5, T5HO or LED luminaire with small profile providing continuous light is required. available as individual fixtures or with end and intermediate units for mounting in continuous rows. removing endplates allow for diagonally overlapping lamps providing uniform light without socket shadows. available in 2', 4', 6' and 8' nominal lengths.

**Construction:** Aluminum Alloy 6063 with opal acrylic lens. Sufficient knock-outs provided for connections and through wiring.

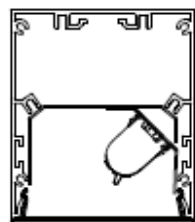

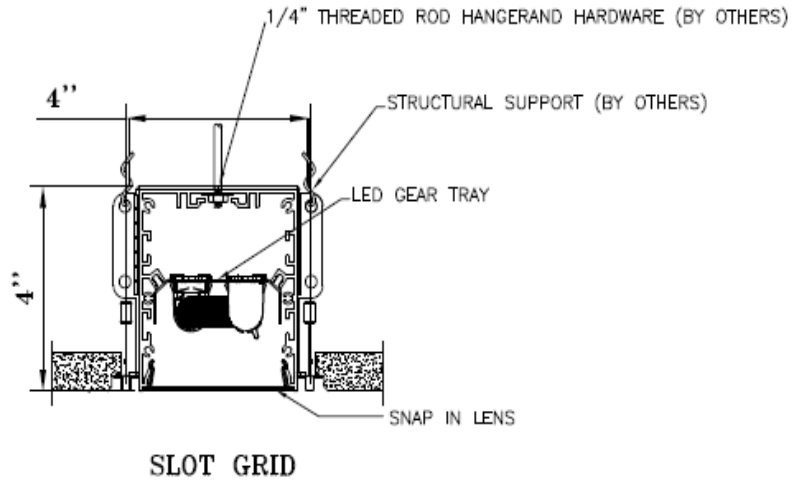

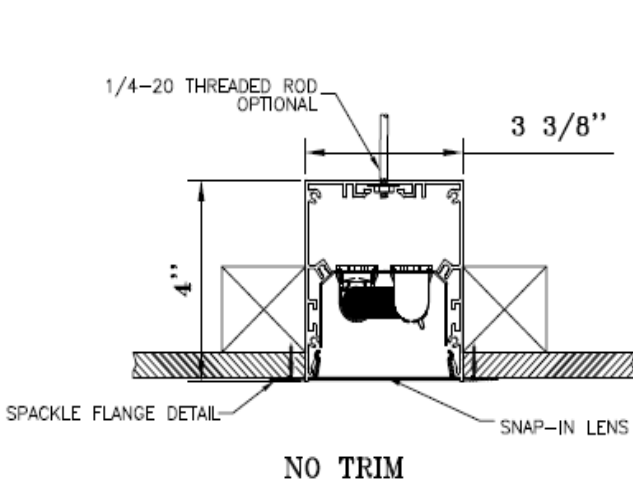

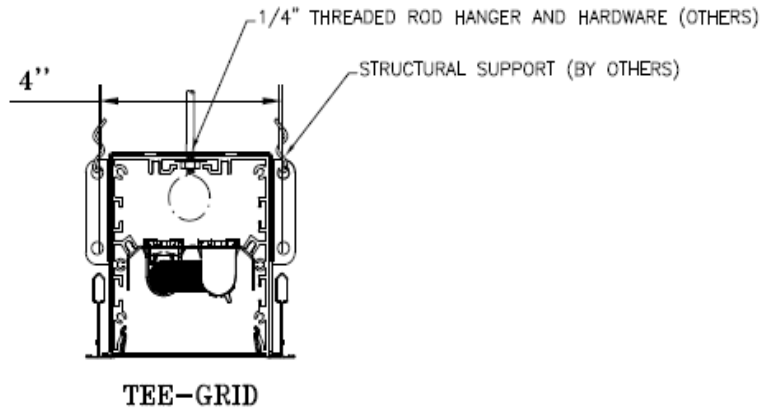

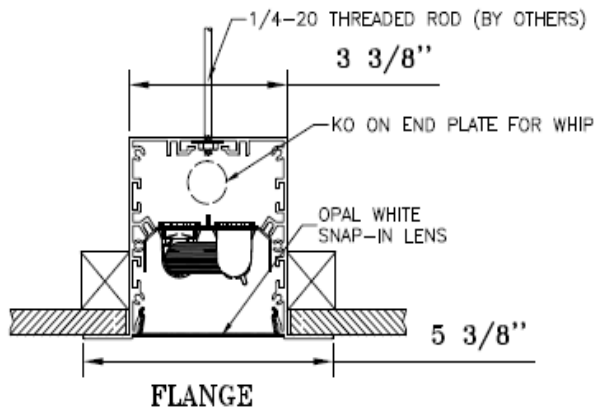

**Finish:** Powder painted high reflectance white.

**Approvals:** Union made, ETL listed, and manufactured in the US.

**Mounting:** Flange for sheetrock and grid ceiling installation or No Trim for spackle flange. Tee Grid and Slot grid not available in T8. Wall Bracket also available for wall mounting.

**Optics:** Opal white acrylic lens

**Options:** Emergency Battery Backup, Dimming Ballast, Separate Circuit, Wall Wash Reflector (Only Available with 1 Lamp), or Custom Color.
