

LED LIMITED 5 YEAR WARRANTY

Subject to the provisions set forth below, Coronet Inc. (“Coronet”) warrants the electrical components installed within its commercial grade fixtures to be free from defects in material and workmanship for a period of (5) years from the date of manufacture, unless otherwise noted on the individual fixture specification sheet and/or literature. These components include the driver and the lighting emitting diodes (LEDs), installed by Coronet within the fixtures, subject to exclusions, as detailed below. **THIS LIMITED WARRANTY IS MADE IN LIEU OF ANY AND ALL OTHER WARRANTIES: THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED.** The foregoing warranty is exclusive of all other statutory, written or oral warranties and no other warranties of any kind, statutory, by operation of law or course of performance, or otherwise, are given, herein expressed or otherwise received. EXCEPT AS EXPRESSLY PROVIDED ABOVE, CORONET DISCLAIMS ALL REPRESENTATIONS, WARRANTIES AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED, REGARDING THE LED PRODUCTS AND ITS SERVICES, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE.

Light Emitting Diodes (LEDs) will only be considered defective in material or workmanship if 15% or more fail to illuminate, per each board. Coronet’s liability under this limited warranty is limited to repair or replacement of the defective components only, at Coronet’s choice. LEDs shall not be considered defective if they are altered in any way, including but not limited to, damage upon installation, damaged by an outside force, changed with other LEDs not originally supplied, or similar LEDs after installation. All decisions regarding the existence or non-existence of defects or otherwise affecting the warranty shall be made by Coronet and shall be final and binding on all parties. Where a defective LED product is replaced under this warranty, the balance of the original warranty period shall remain effective.

In order for this limited warranty to be in effect, the fixture must:

- Be operating on the correct line voltage and under normal conditions and use.
- Be operating at or below the specified ambient temperature allowance specified on the manufacturer’s driver label and/or product literature.

Coronet is not responsible for and expressly disclaims any warranties, express or implied, relating to:

- Defects or failures in components in the event of acts of nature; acts of God; exposure to chemicals (hazardous, corrosive, harsh cleaning or otherwise); vandalism; fire; power failure, spikes, surges or decreases; excessive vibrations; improper controlling or switching; infestation (animal, insect); improper installations; maintenance or service of; third party claims; or any other claims outside of Coronet’s control.
- Component damage caused in transit, mishandling, misapplication, or by abnormal stresses, any of which shall void the warranty.

Coronet does not support labor allowances without written authorization from Coronet. This limited warranty expressly excludes labor allowances unless authorized in writing by Coronet.

Claims for defective components must be made in writing directly to Coronet within ten (10) business days of failure.

Absent timely notice of claim as set forth above, this limited warranty shall be void and of no effect.

The above express limited warranty is extended by Coronet only to the original or first end-user purchaser and only for the original installed location. This warranty is non-transferrable, whether by assignment or operation of law. The original purchaser must provide warranty claims to Coronet within the warranty period promptly upon discovery and in accordance with Coronet's Repair Procedures as outlined within this document.
