Wiring diagrams, PoE and sensor details

NuWave 180°

Drivers & Electrical

Remote, dimmable drivers are supplied in enclosures.

Emergency Back-Up

Emergency, battery-powered drivers are available. Emergency circuits for use with building generators are also available.

PoE (Power over Ethernet)

Compatible with PoE systems Molex Coresync and Igor. See [here](#) for more info.

Weight

40 lbs

Mounting

Optics

Extruded satin acrylic TIR optic provides excellent diffusion, high transmission, and no LED imaging.

Construction

Extruded, recycled aluminum housing.

Finishes

All luminaires are finished in high quality polyester powder coating. Our standard color is black. Any RAL color may be specified.
