Drivers & Electrical

Remote, dimmable drivers are supplied in enclosures. Linear dimming curve by default. Consult factory for logarithmic options.

For remote driver box sizes, click [here](#).

Emergency Back-Up

A 6W remote emergency driver may be wired. Emergency circuits for use with building generators are also available.

Weight

TBD

Shade Shapes

Optics

Glass optic provides excellent diffusion and no LED imaging.

Finishes

Pendant stem is made of steel tubing. The standard color of the stem is black. The outer shades can specified to match any RAL color. The inner shade is always white.

Mounting Options

Custom mounting types and ceiling transitions available; consult factory.
Mounting and power feed locations will be added to approval drawings on request.

Pendant stem

Please consult factory shop drawings for suspension points.

To prevent damage to fixtures, factory designated suspension points must not be field altered.

Do not attempt installation if you do not understand the installation instructions.
